Staffbucks Introduction

Staffbucks (www.staffbucks.com) is a Job-Posting Engine used by Technology Employers, Staffing Companies, Consultants and other IT Professionals in USA. Staffbucks is the only engine today that offers high quality and cost effective IT sourcing tools.

Addressing the Most Complex Problems of Staffing Companies:

- **How do I get Quick Response Job Requisitions?** Job requisitions posted on Staffbucks get rapid response because they are not only searchable on website but are also shared with network of 12500+ network members. Staffbucks allows you to market your requisitions to Staffing Firms, IT Managers and IT Consultants.
- **How do I keep email address private?** Staffbucks provides tools that can help you protect your email address from being added to SPAM lists and still get rapid response.
- **How do we effectively manage time and focus on clients?** Staffbucks users focus on client needs better because Staffbucks works hard to build the job-posting network for them, which is today increasing at rate of 300+ new members every month. Imagine saving of time and clean mailbox by not having to manage email lists, email bounces and ISP issues.
- **How do I get more placements and reach decision makers?** Staffbucks provides daily stream of exclusive sales leads to every Account whom clients can cold call to generate new business. All clients get separate leads.
- **How can I get access to Industry Best Practices, and position my company better?** Staffbucks provides access to growing library of Premium Staffing Industry Intelligence (100+ Articles, Best Practices Material etc.).
- **How do I create better job requisitions that reflect my client needs?** Access growing library of Job Descriptions on Staffbucks. Review them to ask intelligent questions to your clients to build better comfort in your firm's capabilities.
- **How do I ensure my W2 Consultants have minimum Bench time?** Use Staffbucks tools to market bench Consultants to Staffbucks Network. Search Resumes posted by Consultants and other Staffing Firms.
- **Is there a way local Clients can find me?** Make your firm more noticeable by adding your company to Staffbucks Global Directory, which IT Managers search today to find local suppliers.
- **How do we reduce cost of Green Card and H-1B Processing?** Post Labor Certification Jobs and Generate Certificate to attach with USCIS applications.
- **What is the fastest way to get our questions answered?** Post your questions on Staffbucks Discussion Board and let other members and Staffbucks Advisory Services provide answers.
- **Can Staffbucks Provide Consulting?** Absolutely, Use Staffbucks Advisory Services to optimize your Staffing Function, new processes, establish Staffing Programs and design strategies for success.
